

Regent Street Surgery

The services shown below are not provided under the National Health Service Contract. Your GP is happy to provide the service to you but there will be a fee charged to cover the time and costs involved with the work.

Completion of forms, reports and questionnaires has to be done outside of normal working hours and therefore *can* take up to 28 days for completion. Please be aware that we may not be able to complete and return your form before 28 days. All our fees are within the British Medical Association guidelines.

Unfortunately, we cannot offer to complete Mental Capacity Assessments or Power of Attorney Assessments.

If you have any questions relating to these fees or timescales, please speak to our reception team before requesting the service.
